3. Explanation of Distribution Symbols:

F - Functional. User determines requirement. User send requirements and requisitions through publishing distribution channels. Publication is posted on the VEPDL, but might be limited to .mil and .gov only.

X - Special. The OPR specifies which organizations receive the publication and makes distribution accordingly. Not available on the VEPDL.

F; X - Functional-Special. User determines requirement (F) and OPR has an additional listing of those recipients which need the publication (X). Any organization, which has a means to obtain publications through the functional publishing distribution channels, should not be included as an X distribution addressee.

Public. If **Y(es)**, publication is available to the public. If **N(o)**, publication is limited to vandenberg.af.mil access. If a publication is limited, contact the FOIA in order to obtain a copy of the publication.

4. Other:

Publications with an #: Basic has new numbering system, but supplement is revised to match.

Publications with an effective date later than the Index date are Effective Now.

Office Symbols. As of 1 Oct 02, the 30th Space Wing reorganization resulted in several changes to office symbols. The office symbols indicated in this index reflect the office symbol used at the time of the publication of the document as indicated on the AF Form 673. As publications are revised, the new office symbols will be used. The following is a partial list of known changes.
