Human Dignity Program**

- Each of us has a role in ensuring human dignity for all
- It begins with our familiarizing ourselves with the DOD, AF and AFSPC policies and instructions that govern our programs on equal opportunity and treatment
- If your problem cannot be resolved at the lowest level possible, know the agencies to go to for help in resolving EOT matters
- For civilians, call your EEO counselor at: (805) 606-8780
- For Military members, call your Social Actions Office at: (805) 606-0370, or the AFPC hotline at 1-800-558-1404
